

For further information please available from all Library branches. Town Council Office. They are also (Eastern Avenue) or the Leigh-on-Sea Centre, Cory Environmental Depot collected from either the Civic Additional recycling sacks may be

For information on the garden waste services offered by our contractor please visit [www.southend.gov.uk/recycling](http://www.southend.gov.uk/recycling) or telephone **01702 215006**.

The collection day for garden waste may vary from other waste and recycling collections. Once you have registered for the garden waste service with our contractor you will be advised of the scheduled collection day.

## Your Collection Day

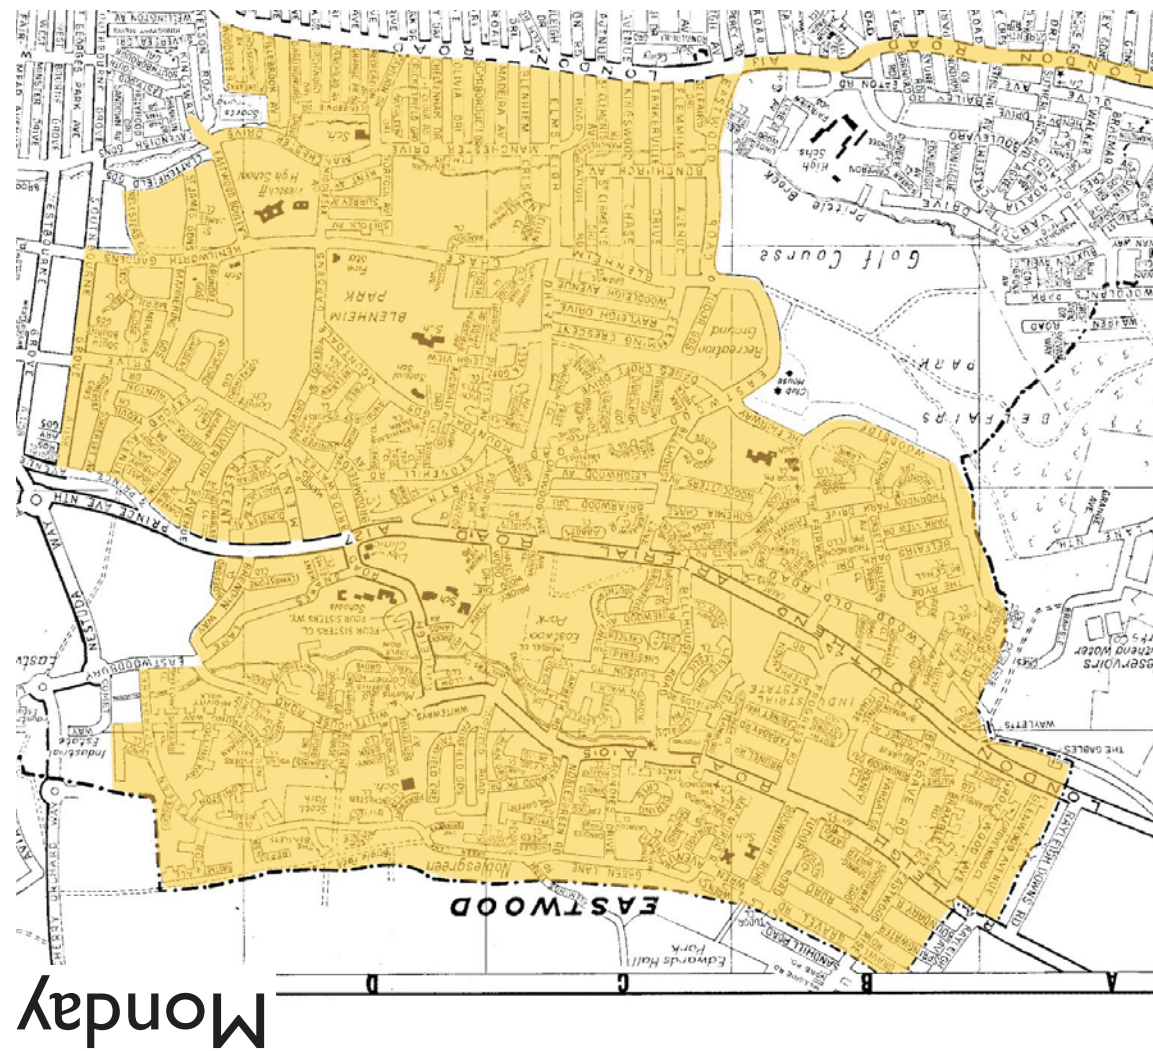

This leaflet provides details of your scheduled collection day for household waste (black sack), recycling (pink sack), clothing and textile recycling (clear bag) and food waste (blue bin).

To help ensure that you do not experience any problems with these collections please ensure that:

- your sacks and blue bin are presented by **7.00am** on your scheduled collection day
- They are presented in a **visible location** – preferably on the edge of your property (but not on the public footpath or verge please)
- They do not contain materials that we are **unable** to collect (for example food contaminated material in the pink recycling sack or carrier bags in the blue food waste collection bin)

## Bank Holidays

Please remember that your scheduled collection day may vary around bank holidays – please visit [www.southend.gov.uk](http://www.southend.gov.uk) or telephone **01702 215006** for information on any changes to your collection day.

## Don't forget you can recycle 'on the go' .....

To make it even easier to recycle Southend-on-Sea Borough Council has installed dual litter and recycling bins in a number of different locations.

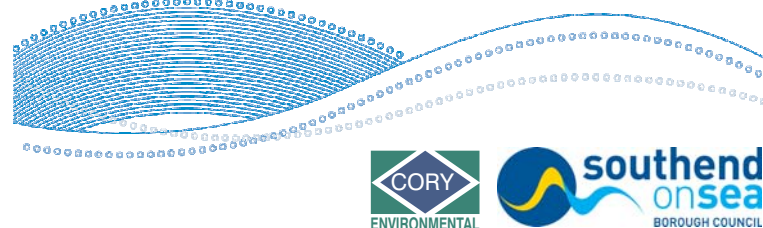

These bins can be used to recycle the following:

- drink cans
- glass bottles and
- plastic bottles

Please use these bins to recycle materials whenever you see them!

For further information contact **01702 215006** or visit [www.southend.gov.uk/recycling](http://www.southend.gov.uk/recycling)

The following materials can be placed in the pink recycling sack (all clean - no food waste)

**Paper** - All paper including wrapping paper, junk mail, envelopes, shopping catalogues, holiday brochures, newspapers, magazines, leaflets and telephone directories.

**Cardboard** - Sleeves for ready meals, cereal boxes, drinks cartons and "Tetra Paks", greeting cards, small pieces of packing cardboard, confectionary boxes, toilet roll tubes. Flatten large cardboard boxes and place next to or under your pink sack.

**Steel and Aluminium** - Food and drink cans (no need to remove labels), ready meal and pie foil trays, takeaway containers, cooking foil, metal jar lids.

**Plastic** - All food and beverage containers/packaging, including bottles, tubs, trays, bubble wrap, carrier bags (NO degradable/biodegradable please). Lids can be removed and included.

**Glass** - Unbroken glass bottles and jars (all different colours). No need to remove labels.

**Clothing and textiles MUST go in the clear (textile) recycling sack. Clothing placed in the pink sack will not be recycled.**

## Missed Collections

If you have followed the list opposite and you experience a missed collection please report it to Southend Borough Council on **01702 215006**.

## Assisted Collections

In certain situations assistance is available to help disabled and elderly people participate in waste and recycling collections. For example, alternative collection locations may be agreed between the resident and our waste contractor. For more information please telephone Southend Borough Council on the number shown above.

## Collection Day Maps

If after checking the maps, you are still uncertain about your collection day please telephone us on the number shown above with your address and postcode. Alternatively use the 'Where I Live' facility at [www.southend.gov.uk](http://www.southend.gov.uk) to search for your collection day.
