

Your *exclusive* discounts portal

*Let's make renting more rewarding!*

Rent with us & get access to hundreds of discounts at your favourite retailers & more...

At Reed Residential we value our customers, so much so, that if you choose to rent with us we will give you free access to our customer rewards programme.

Here you'll find loads of exclusive discounts that will save you money with hundreds of national retailers who you probably spend money with already!

You'll also be able to enter monthly competitions (previous prizes have been one month's FREE rent, paying for holiday and £250 cash!). To enter, we simply ask for feedback on your experience with us and we use this info to help improve our service levels.

We know you don't just want a normal high-street agent and we'll go the extra mile to look after you, whilst working hard to provide the best experience possible.

***You'll receive an email to access the platform as soon as you become a customer!***
